

British Crown Green Bowling Association

Covid 19 England lock down 5th November 2020

New National Restrictions from 5 November

Following a review of the guidance issued all community sporting activity is to close (Indoor and Outdoor). There are a few exemptions, but these do not apply to bowls.

We will continue to monitor any changes to the guidelines issued and update accordingly. You can leave home to exercise, but this does not include community or amateur sports. All Greens should therefore close until further notice.

Key Headline message

When we reduce our day-to-day contact with other people, we will reduce the spread of the infection. That is why, from Thursday 5 November until Wednesday 2 December, the Government is taking the following action:

1. Requiring people to stay at home, except for specific purposes.
2. Preventing gathering with people you do not live with, except for specific purposes.
3. Closing certain businesses and venues.
